WHERE HAS THIS YEAR GONE?

We seem to say this every year, but seriously, this year has truly flown by!! It seems just a few short weeks ago these children walked into our classrooms as young 3rd graders, and now they have grown into 5th graders who are ready to leave us! We have really enjoyed our time with these boys and girls, and will miss seeing them around our school next year. There are so many fond memories we will take away from this year; so many great stories.

We want to thank you for all that you have done to support this team throughout the year. You truly made a huge difference in our lives.

Just a Couple of Notes

*If you have not returned the form for Donna Shepard, please do so ASAP. You may also take it to the meeting, if you are planning on attending.

*STAAR is right around the corner!! We are reviewing concepts daily, so it is very important that your child be here. Please make every effort to have them here each day, on time, in order to participate in these final days of learning before our "Big Event"!

*Remember to have your child READ, READ, READ! The Reading Log is a wonderful way for your child to earn **100 Extra Credit points** every grading period...simply by having it filled out and signed by a parent/guardian!

*Please, continue to check the folder sheet nightly. It is a great source of communication between teacher and parent. We appreciate your diligence in initialing it each night. Thank you!!
