

PTA Membership Form 2016-2017

Our goal this year is to reach 100% involvement in PTA. Have a BALL participating with us in Tarver-Rendon's PTA. When you join PTA it helps your child's grade level gumball machine get filled to the top! The grade level with the highest percentage by the end of September will get a PAJAMA day at school.

We want to see new faces and hope you join and become more active in your child's education and activities! By the way, Mom and Dad can both join...so can Grandma and Grandpa! All are welcome.

(If you have children in more than one grade level your membership counts for each grade)

Please check which applies:
